TECHNICAL PRODUCT BULLETIN TB-2023-09-01 Rev A

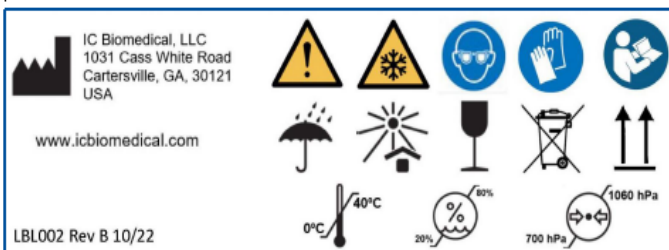

Subject: Product Labeling

IC Biomedical Product and Packaging labeling is being standardized across all Cryogenic Storage Products. The products will utilize warning label LBL002, serial number label LBL007 and packaging labels LBL004 & LBL009. The symbols are explained in the new user manuals (MNL001 is for aluminum liquid storage products, MNL002 for aluminum shippers, and MNL003 for Stainless steel products, LABS, K-series, Rev/Evo).
